## LAST SUNDAY at New Vision

The sermon reminded us of the need for a strong Spiritual foundation. As in the building of a house the overall stability of the structure begins with the correct foundation. So, our lives must contain the same. When Jesus was asked what the greatest commandment was, he responded "Love the Lord your God with all your heart, soul and mind and love your neighbor as yourself." If we keep this as our guide our spiritual growth will exceed our own expectations.

We were also reminded of the great commission and that the harvest is great but the workers are few. We are to be active with our faith and reach out to those around us who are in need. There is a roll for each and everyone in the mission that Christ calls us to.
