LAST SUNDAY at New Vision

Last Sunday, we were reminded of the importance of the call that Jesus places on us; "Follow Me!" Like the early disciples who immediately, dropped everything, and followed Jesus; we are called to give the same response. We all must take action by being His hands and feet in this life. We are ultimately defined by our actions or lack of action. There is nothing more important than the decision we make to either accept Christ or to reject Him.
