## PASTORS CORNER at New Vision

Greetings New Vision Family & Friends:

Homecoming 2015 was a great success with a great time had by all! I am already looking forward to Homecoming 2016 next year. It is a blessing when friends, old and new, can worship the Lord together.

The message on Sunday focused around the unity of the church and each part of the body being extremely important to the whole. This theme continued throughout the week as our Revival expounded on the intense call of the church universal to pull together and answer the call to be Christ's hands and feet; sharing the gospel with the world that is maybe more desperate for the truth than ever before.

Special thanks to all of the musicians, singers, and pastors that helped to make Homecoming this year very special.

Let us be determined to press on with the energy that the Spirit has renewed in us for the work at hand!

~ Grace and Peace, Mark
