PASTOR’S CORNER at New Vision

Grace and Peace to my brothers and sisters in Christ:

Peace is the focus of this weeks Advent message. When we look around the world today, peace is not the first word that comes to mind. Nations are engaged in war, terrorism continues to take a great toll, and families are often torn apart.

So how does one find peace; not only in this season, but throughout the remainder of the year? True peace only comes through a relationship with our God and His Son Jesus Christ.

What part do we, as the Body of Christ, play in this time of great trial? It is our call to share the Gospel and be Christ's hands and feet to a world in which peace has become an elusive thing. Centering our faith on the promises of God and welcoming the work of the Holy Spirit into our lives is the best formula I know for finding peace.

~ May God bless you, Pastor Mark
