## PASTOR'S CORNER at New Vision

Greetings to my Brother's and Sister's in Christ:

This past Sunday we re-introduced our ministry teams and posted sign-up sheets to allow people to reflect on how God is leading them to serve in the year to come. I am excited and pleased with the ongoing level of participation of the congregation in these ministry areas. With the majority of the congregation serving in some capacity it shows that we all share the responsibility of Christ's work in this place. Whether or not you are participating in one of these ministries, I ask that you pray for those who are and that God leads us to the areas of most need in our community.

This year we have added two new Mission Ministry opportunities; Prayer Warriors and Vision Quest. Our Prayer Warriors are called to be vigilant in prayer for our church and the prayer requests of our church family. Our Vision Quest Team will be meeting soon to address the needs for evangelism and outreach into our community.
