## PASTOR'S CORNER at New Vision

Greetings to my Brothers and Sisters in Christ.

This week we celebrate the Greatest event in human history; the Resurrection of Jesus Christ our Lord and Savior. It is very easy in our day-to-day lives to get lost in those things that seem so important and that occupy our time, to the point that nothing else matters. But, as we look around and see the many members of our congregation who are going through serious issues it brings us back into focus on what is most important in life. The loved ones and friends that God gives us are a precious gift. The sacrifice that God made, when he so freely gave of His son Jesus, should serve as a constant reminder of our purpose on this earth to do His will and to serve all those in need of His loving power and grace.

Take time this week to slow down, open your hearts and minds, to the love God has shown us in so many ways. Prepare your hearts to love God and worship God in Spirit and in Truth.

~ Grace and Peace, Pastor Mark
